Meet Project POOCH

Positive Opportunities, Obvious Change with Hounds

Project POOCH, Inc. ®, is a non-profit, 501c(3) organization that has successfully paired incarcerated youths with homeless shelter dogs for over a decade.

The dogs leave the program ready to be great pets, while their trainers re-enter the community with new job and personal skills and an increased compassion and respect for all life.

The youths work with their dogs daily, and practice the principles of positive reinforcement and behavior modification. As the trainers manage their dogs, they learn how to manage their own behavior. They also earn school credits, develop good work habits, and acquire valuable occupational skills.

The relationships, emotional support and mutual trust established between the trainers and dogs are pivotal to the success of the program. For some students and dogs, this relationship is a first experience of unconditional love, and it helps them develop the self-confidence and hope they need to build future relationships.

The public is being invited to pay an optional "admittance fee" of \$2 or donate an item from Project POOCH's Wishlist. You're welcome to help!

Project POOCH Wishlist

- Cash to purchase a sanitizer system for the kennel.
- Frontline for big dogs
- Blankets & towels
- Ear wipes
- Kleenex
- Vet wrap
- Topical ointments
- Dog toothpaste & brushes
- *Missing Link* vitamin powder
- Soap for washing dog bowls
- Liquid soap for washing hands
- Dictionaries (English/Spanish)
- Healthy training treats

Thinking about starting a similar program?

Project POOCH volunteers will be on site from 10:30 to 1:30 both days and would love to talk to you.
